

Non-UK EU (including Ireland) or Third Country Passport Overstamp Application

The
British
Horse
Society

All horses with valid 'third country' or non-UK EU passports (including Ireland) need to be registered on Defra's UK Central Equine Database (CED). This must be done by a UK based PIO within 30 days of the horse arriving in the UK. The UK based PIO then has the authority to make future changes to the passport such as changes of ownership, or issuing a duplicate if the passport is lost. **The cost of this BHS service is £20 (£15 for registered equine charities).**

THE BHS IS AN ID ONLY PIO, SO CANNOT OVERSTAMP PASSPORTS THAT INCLUDE DETAILS OF THE HORSE'S PEDIGREE:

Passports that contain such information must be overstamped by a UK based studbook. A list of such organisations can be found on the Gov.UK website. If you require assistance in identifying the most appropriate studbook to overstamp your passport, please contact the BHS passport office: passport@bhs.org.uk or 02476 840517.
